**APRIL 2019**

Members of UDI-Edmonton Region,

UDI-ER is pleased to provide you with this April 2019 update of our Membership Directory. The directory provides the contact names and information of all Members. I encourage you to use it as a resource in support of your fellow Members.

As the industry continuously changes, it is important to have a strong membership that establishes a unified voice. This voice is needed to represent the land development industry to governments, citizens and other organizations.

We would like to thank all of our members for their continued support. We encourage you to stay active and engaged in UDI-ER through our numerous events, monthly newsletter and market watch, social media, website, and volunteer opportunities.

We hope you find value in this directory and all of the services provided by UDI-ER.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Rick Preston', with a large, sweeping flourish at the end.

Rick Preston  
Executive Director
